

KEY

- Bound surface
- Un-bound surface
- Wheelbase track
- Body outline
- Load outline
- Visibility Splay
- Visibility Distance Measured At 2.4m Setback

Note: Aerial imagery has been used as a base map due to the lack of detail shown on digital OS mapping and discrepancies identified during the site walkover.

The Swept Path (SP) for the proposed Self-propelled modular transporter blade lifter falls within the SP that is shown for delivery of the SG155 top tower section, which is larger than the proposed scale of turbines for the Proposed Development.

Location Plan
Scale 1:25000

Coordinate System: British National Grid
Projection: Transverse Mercator
Datum: OSGB 1936
Units: Meter
